

Potential Applications

Solid Waste Disposal

- Liquid/Solid Separation
- Landfill Open Face
- Landfill Perimeter
- Transfer Stations
- Tipping Floors
- Composting
- Green Waste Processing
- Leachate Storage, Treatment & Disposal
- Daily Cover Application
- Resource Recovery Systems

Waste Water Treatment

- Liquid/Solid Separation
- Sludge Lagoons
- Sludge Drying/Dewatering
- Aeration Lagoons
- Composting
- Green Waste Processing
- Dryer Stacks
- Bio-towers & Trickling Filters
- Digesters

Benzaco Scientific Can Engineer a Solution for Almost Any Odor Control Issue

Potential Applications

Food Processing

- Meat & Poultry
- Pet Food Processing
- Fruit & Vegetable Processing
- Bakeries
- Snack Food Mfg.
- Fermentation Processes
- Green Waste Processing
- Dairies
- Rendering Operations

Pulp & Paper

- Sludge Processes
- Aeration Lagoons
- Waste Treatment
- Settling Ponds
- Snack Food Mfg.
- Bio-towers & Trickling Filters
- Dryer Stacks

Chemical Processing & Mfg.

- Refining/Hydrocarbon Processing
- Organic Intermediates
- Fatty Acid Manufacturing
